The iconic statue of King Alfred, the historic High Street and West Gate, the Great Hall with its Round Table and connections to King Arthur, the site of Winchester Castle and King Charles II's Royal Palace, the River Itchen, the ruins of Wolvesey Castle, the exterior of Winchester College, Jane Austen's house and Winchester Cathedral.

Tours take place all year, when permitted by any government restrictions, and daily between May and September. For details of tour times and regular updates please check our website:

## 5 Star Rating on Tripadvisor

Some reviews:

Brilliant how a knowledgeable tour guide can bring it all to life. (Oct 20)

A fantastic walking tour around the city's landmarks and [hearing about] the people who shaped it and lived in it, from the pre-Roman occupation right up to date. (Oct 20)

We were taken to places that we would not normally have come across ourselves. You should not miss this walking tour if you are in Winchester. (Nov 19)

Even as a Winchester local I learned loads and want to do more tours! (June 19)
