5 star Tripadvisor Reviews

***Fantastic Winchester walking tour!** Had an absolutely superb afternoon tour. She was amazingly knowledgeable about everything, super engaged and willing to answer all our questions, and just a delightful 1.5 hours. And even though I've been visiting Winchester for 10+ years, I learned so much. Can't recommend this tour enough if you have a few hours in town! (July 22)*

***Excellent walking tour with a great guide.** An excellent walking tour with an informative and entertaining guide. It takes you to most of the highlights of this wonderful city in around one and a half hours. (Nov 22)*

***Engaging & enthralling.** It was clearly very well researched and the way he recounted important historical events was spot on; detailed yet engaging. We left the tour in awe of how a small city such as Winchester could play so many important roles in the course of history. Would highly recommend. (Nov 22)*
